MEMORANDUM FOR THE DIRECTOR:

1. This memorandum is for information only.
2. The only paper, insofar as we can determine, to carry charges against Globke made by the Society for the Prevention of World War III, Inc., was the NEW YORK POST. On February 15, 1957 the Society for the Prevention of World War III sent a letter to the Secretary of State, said letter being signed by Dr. Albert Simard, Secretary, and Isidore Lipschutz, Treasurer, making allegations against Mr. Globke. This letter was made available in New York by the Society to the press. The NEW YORK POST on February 19, 1957 quoted part of the letter in a news story, a typescript of which is attached hereto and marked Tab A.
3. Theodore Kagan also in the NEW YORK POST in his column of February 22, 1957 ran an anti-Globke story, a copy of which is attached hereto and marked Tab B.
4. A photostat copy of the text of the letter to the Secretary of State upon which these stories are based is attached hereto and marked Tab C.
5. An open letter about Globke addressed to President Eisenhower on September 21, 1954 is copied in typescript and herewith marked Tab D.
6. An editorial by the Society attacking Globke and several other Adenauer advisers as "More Nazis in Bonn," which appeared in the 1953-54 Winter issue of the Society's semi-annual bulletin appears as Tab E herewith in typescript.
